SIP THE SUMMER AWAY WITH

Silver Reign

INTRODUCING THE UK'S NEWEST SPARKLING WINE OF ENGLAND

PRESS RELEASE | MAY 2023

Silverhand Estate believes that each day should be celebrated and with the launch of Silver Reign, which will be unveiled at Taste of London, there is a new sparkling wine on the scene that's ready to be popped open at every occasion this summer and just in time for English Wine Week.

SILVER REIGN

ALCOHOL	12.5% ABV	FORMAT	75 CL
---------	-----------	--------	-------

VARIETALS	Pinot Noir, Pinot Meunier, and Chardonnay
-----------	---

Silverhand Estate's debut release, Silver Reign, is a reflection of the regal heritage, involving King Ludd's pioneering legacy to bring the unique terroir of the Garden of England to life, producing England's finest sparkling wines. Timeless and elegant, refreshing and bubbly, Silver Reign is the sparkling wine you will be sipping all summer long.

Silver Reign comes from organically cultivated vines and is made using the Charmat method, a winemaking process ideally suited to producing light, fresh Sparkling wines. A blend of Pinot Noir, Pinot Meunier and Chardonnay, this is a delightful English sparkling wine filled with delicate aromas of Elderflower, white hedgerow flowers, pear and apricot. A fine mousse leads to a refreshing finish with lingering flavours of citrus and ripe stone fruit. It is also suitable for vegans and vegetarians.

This is English Charmat at an affordable price.

Silver Reign is the exciting and delightful accompaniment to those long picnic dates on summer days, the gatherings in the garden, meet-ups with friends on balmy evenings, and celebrating those milestone moments with family.

ABOUT MDCV UK

MDCV UK has a vision to bring the finest English and Provençal wines to the UK market. We have a long history of producing award-winning Provence rosé and English Sparkling Wines, and with an extensive infrastructure, both in France and the UK we are able to harness the finest talent in all areas of our business, to deliver exceptional products to the UK market.

We have a passion for sustainability and manage all our vineyards organically. We employ pioneering techniques to minimise our impact on the environment, such as composting organic waste, harvesting rainwater and heating

our sites using natural sources, such as ground source heat pumps. While learning from our history and building for our future, we plan to revolutionise the English wine industry for the better.
